

Announcing: New Mentone Resident Community E-Mail List

Trend Management can only send emails that concern Mentone business and Board approved events, such as the Halloween Event or financial matters.

However, sometimes there is a need to publicize other events or services that might be of interest to people in Mentone.

Therefore, a resident is starting a new, resident-managed, email listserve for people who would like to start, or participate in events or groups for and by Mentone residents. This list will serve people who either do not belong to Facebook, or who do not want to go on Facebook to find out about Mentone community happenings.

Examples of appropriate announcements for this email list would be:

- *Plant exchange/garden group
- *Mommies group
- *A food drive within Mentone
- *Walking group
- *Book club
- *Tai Chi lessons for Mentone residents
- *Any other event or group, which a Mentone resident or residents would like to convey to the whole community.

It's also a way to make inquiries such as "does anyone know of a dog walker", or "can anyone recommend a landscaper."

This list is *not affiliated with the Mentone Board or Trend Management*. It is managed by residents, for residents. Names and email addresses on the list will not be shared with anyone. Emails will be sent out on a per need basis, probably not more than once or twice a month.

If you would like to be on the list, please reply to

mentoneeventslist@yahoo.com

In the subject line, please put "Mentone Events List" You will be added to the list. At any time you may unsubscribe.

Please do not respond to Trend Management.

Thank you.
