

## Mentone Action Items – Active

Updated: December 21, 2017

### **AI 17-8-5: One of the baby swings is cracked and the metal is showing through on the interior side.**

Update: August 19, 2017: Kelly emailed Jim and asked if he could purchase a swing from Lowe's or Home Depot.

Update: September 3, 2017: Jim reported that he cannot locate a swing to match the damaged one.

Update: September 15, 2017: Kelly is obtaining a quote from Miller Recreational for Fibar mulch.

Update: October 5, 2017: Item to be delivered October 25<sup>th</sup>.

Update: October 19, 2017: The swing was delivered by GAM to Jim for installation.

### AI 17-10-1

#### **One of the basketball rims is rusted and about to fall off.**

Update: October 10, 2017: Kelly emailed Dave to find out where he previously ordered rims from.

Update: November 16, 2017: Dave provided the link to the site that the rim was ordered from and Jim provided the size needed. Kelly has ordered the rim and the estimated arrival date is 11/28.

### AI 17-10-2

There are several pine trees on the trail that are dead/dying that need to be removed and limbs that need to be limbed up.

Update: October 19, 2017: Jeremy has limbed up the trail.

Update: November 16, 2017: Kelly was advised that there were additional limbs that were hanging into the trail that needed to be cut.

Update: December 19, 2017: Kelly met with A&S Tree Service to obtain pricing on the pine trees for removal and the limbing up of all remaining limbs as Jeremy cannot reach the limbs that need to be removed from ground level and keep the limbs healthy.

### Action Items Held in Abeyance
